

On
Head South

We've driven such a long way
to get here. Days without
rest.

Sure as hell
beats walking.

This isn't a real conversation, but it
could have been one. By Jan Toni and
Jan Sinsi.

Don't you want to tell
them? Aren't you bored?

Sometimes
Sometimes
not.

Is this transcendence?

I don't think I've ever seen
anything like it.

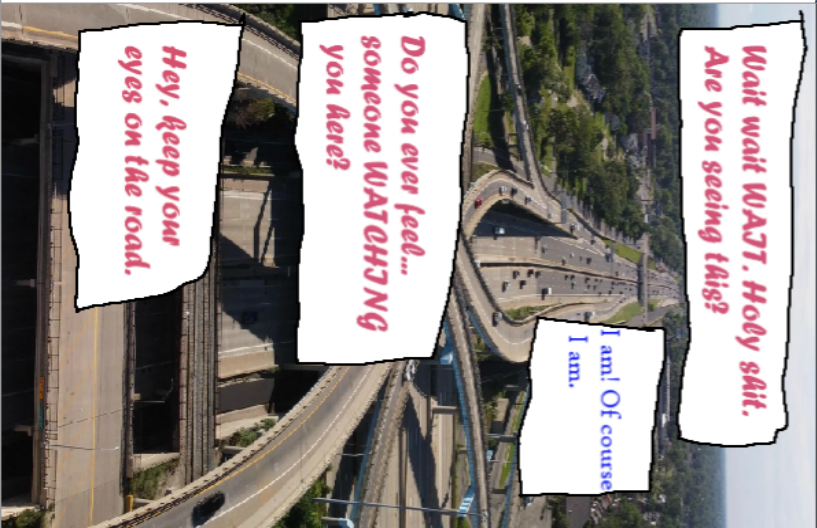

Wait wait WAIT. Holy shit.
Are you seeing this?

I am! Of course
I am.

Do you ever feel...
someone WATCHING
you here?

Hey, keep your
eyes on the road.

I think we speak for ourselves, to
anyone who will listen. We don't
need a travelogue or a passport
stamp to know this happened.

I knowww, but it'd be a
GREAT story. I wish other
people could see it the
way we can, ya know? I
feel bad for them.
